

FloridaBlue Retiree Premium Rates
RATE FOR CALENDAR YEAR 2018
(For Period January 1 to December 31, 2018)

If retiree chooses to remain on one of the District's United Health Care Plans the retiree pays the FULL cost.

A decision to elect retiree benefits must be made within 30 working days prior to retirement. Failure to respond to enrollment indicates a refusal of coverage. Once a benefit is refused or not elected it cannot be reinstated at a later date. Upon retirement you cannot change or switch medical plan coverage. You are given the opportunity to change plan coverage during the District's annual Open Enrollment period normally held in September/October.
